

Size Information:

The shoes from Werner Kern Dance shoes run a bit larger than normal street shoes. They have to fit tight, because the nappa or suede leather is becoming softer and wider after dancing. In the list below you see the corresponding sizes.

LADIES

Only for the styles:
Sonia 5,5 cm, Ilona 5 cm
und Rachel 3,4 cm!

For the rest of all dance shoes from Werner Kern/
Anna Kern/ Nueva Epoca/
WK Bridal
